Friends of McConnell Springs and 13 participating wineries are sponsoring the **12th Annual Wine Barrel Tasting for the Springs** in and around Lexington, KY on Saturday, March 30, 2019. For a fee of \$20/person participants can travel at their leisure to any of the participating wineries and sample wine in its final stage before actual bottling. Wineries are opened 11:00am – 5:00pm. Proceeds will help the “Friends” support the education, restoration, and preservation programs at the Park. This is a rain or shine event. We are hoping to post the event brochure by mid-February.
